AMERICAN REVOLUTION.

ARTICLE II.

OBJECTS.

The objects of this Society shall be to perpetuate the memory of the men, who, by their services or sacrifices during the war of the American Revolution, achieved the Independence of the American people; to unite and promote fellowship among their descendants; to inspire them and the community at large with a more profound reverence for the principles of the Government founded by our forefathers; to encourage historical research in relation to the American Revolution; to acquire and preserve the records of the individual services of the patriots of the War, as well as documents, relics and landmarks; to mark the scenes of the Revolution by appropriate memorials; to celebrate the anniversaries of the prominent events of the War; to foster true patriotism; to maintain and extend the institutions of American freedom; and to carry on the purposes expressed in the preamble to the Constitution of our country and the injunctions of Washington in his farewell address to the American people.

ARTICLE III.

MEMBERSHIP.

SECTION I. Any man shall be eligible to membership who, being of the age of twenty-one years or over and a citizen of good repute in the community, is the lineal descendant of an ancestor who was at all times unfailing in his loyalty to and rendered actual service in the cause of American Independence, either as an officer, soldier, seaman, marine, militiaman or minute-man, in the armed forces of the Continental Congress or of any one of the several Colonies or States; or as a signer of the Declaration of Independence; or as a member of a Committee of Safety or Correspondence; or as a member of any Continental, Provincial or Colonial Congress or Legislature; or as a civil officer, either of one of the Colonies or States or of the National Government; or as a recognized patriot who performed actual service by overt acts of resistance to the authority of Great Britain. He may be elected a member of this Society, provided that, upon due investigation, he shall be found to be acceptable.

SEC. II. Applications for membership shall be made in duplicate, upon blank forms prescribed by the General Board of Managers of the National Society, and shall in each case set forth the name, occupation and residence of the applicant, his line of descent, and the name, residence and services of his ancestor or ancestors in the Revolution from whom he derives eligibility. The applicant shall make oath that the statements of his application are true, according to the best of his knowledge and belief, and his application shall be endorsed by two members of the Society, accompanied by a letter from at least one compatriot, and subject to such other requirements as may be prescribed by the rules or by-laws of the Society.

SEC. III. Sons of Revolutionary soldiers who are regularly accepted by the Board of Management, upon the recommendation of the proper committees, may be made honorary members of the Society without payment of dues.

SEC. IV. Any Senator or Representative, or officer in the civil, military or naval service of the United States, officially

Members of State Societies of Sons of the American Revolution, while residing in the District of Columbia and upon election by the Board of Management, may be enrolled as Associate members of this Society.

SEC. V. Whenever a member in good standing changes his residence to the jurisdiction of another State Society he shall be entitled, if he so elects, to a certificate of honorable demission, in order that he may be transferred to said Society; provided that no such certificate shall be given unless all dues and fees are paid, and said membership in this Society shall not cease until membership in the State Society be established.

SEC. VI. If for any reason a member resigns or is dropped from the rolls of the Society, the number of his insignia shall be cancelled, and his name shall no longer appear in the year book of the Society.

Vacancies in the Board of Management shall be filled by the Society for the unexpired term.

SEC. II. Delegates to the Congress of the Society shall be elected at each annual meeting, in accordance with the requirements of the Constitution of the National Society, who shall hold office till their successors are duly elected and qualified.

Three members shall be a quorum of the Executive Committee.

ARTICLE V.

FEEs AND DUES.

SECTION I. The initiation fee shall be five (\$5) dollars; the annual dues three (\$3) dollars; or the payment at one time of fifty (\$50) dollars shall constitute a life member with exemption from payment of dues thereafter. Members of the "Sons of the Revolution" who join this Society will be exempt from the payment of an initiation fee, provided they are eligible and acceptable under the Constitution of this Society. When a member is elected after the annual meeting his dues for the remainder of that year shall be at the rate of twenty-five cents per month.

SEC. II. The annual dues shall be payable in advance on the twenty-second day of February in each year.

SEC. III. When the dues of any member shall remain unpaid for nine months, the Treasurer shall give him notice that unless the same be paid within three months thereafter, his membership shall cease; and in case such dues are not paid pursuant to such notice, or the default be satisfactorily ac-

4. Publication of such documents as may be deemed advisable.

5. Payment of such special expenses as may be authorized by the vote of two-thirds of the Board of Management.

SEC. V. No vote of the Society, whereby the expenditure of the building fund shall be caused, shall be passed except at a stated or special meeting, at which at least fifty members shall be present, and two-thirds of those present shall vote in favor thereof; nor until the subject has been referred to the Board of Management and they shall have reported their opinion thereon, which report shall be made at the stated meeting next after the reference, or at a special meeting called for the purpose.

ARTICLE VI.

THE BOARD OF MANAGEMENT.

The Board of Management shall consist of the President, Vice-Presidents, Secretaries, Treasurer, Registrars, Chaplain, Historian, *ex-officio*, and fifteen members who shall be elected as herein provided.

This Board shall judge of the qualifications of the candidates for admission to the Society and elect the same; and may establish local chapters with such powers as it may deem

proper within its jurisdiction not inconsistent with the Constitution of the National Society; may expel any member, after due notice and impartial trial, who by conduct unbecoming a gentleman shall render himself unworthy to remain a member, subject to appeal to the Society; and shall have charge of all meetings; shall recommend plans for promoting the objects of the Society; shall digest and prepare business; and shall authorize the disbursement and expenditure of unappropriated money in the treasury for the payment of current expenses; and generally superintend all the interests of the Society and execute all such duties as may be committed to it by the Society. It shall make, through the President, a general report of its transactions at the annual meeting of the Society.

MEMBERSHIP ROLL

MEMBERSHIP ROLL.

If we have rescued one name from oblivion, and restored it to the remembrance of the American people, we shall be happy. Time has waged a fearful war on the memorials of Revolutionary days, and they lie scattered everywhere at the feet of the desolator and he who will not, if possible, gather, preserve, and record the precious fragments, is guilty of indirect war on the history of a blood-purchased nation.

DEBORAH SAMPSON (1760-1827), of Massachusetts, served in the Revolution as a private soldier. In an affidavit by her when she relinquished her invalid pension and received the benefits of the Acts of Congress, March 18, 1818, she testified, as here copied in part: "Deborah Gannett, of Sharon, County of Norfolk, District of Massachusetts, maketh oath that she served as a private soldier, under the name of Robert Shurtleff, in the War of the Revolution, upwards of two years. Enlisted in April, 1781, in company commanded by Captain George Webb, in the Massachusetts Regiment commanded by Colonel Shepherd, and afterwards by Colonel Henry Jackson, and served until November, 1783, when she was honorably discharged in writing; she was at the capture of Cornwallis, was wounded at Tarrytown, and now receives a pension from the United States, etc."—Massachusetts District, September 14, 1818. In January, 1792, she petitioned the Legislature of Massachusetts, and stated that "from zeal for the good of her country was induced, and by the name of Robert Shurtleff did, on May 20, 1782, enlist as a soldier in the Continental service

for three years in the 4th Regiment; was mustered in the 23d of same month; was wounded; continued in service until discharged by General Knox at West Point, October 25, 1783." A resolve was passed in accordance with this petition, January 19, 1792, signed by John Hancock, and she was paid thirty-four pounds, the note bearing interest from October 23, 1783 (about \$100). There is a difficulty that she testifies to different years of entering the service, viz: 1781 and 1782. It is a tradition in the family that she was at Yorktown at surrender of Cornwallis. Mr. James Adams Vinton, in his notes to a reprint of the work, "The Female Review," considers 1782 the correct date. She was wounded severely several times, and always bore an unblemished character.
